Furthermore, Flynn introduces unreliable narration, where both Nick and Amy occasionally distort facts or omit details, compelling the reader to piece together the true story.

Nonlinear Timeline and Flashbacks

- How well can we truly know another person?
- To what extent do societal roles shape individual behavior?
- Can a marriage survive the revelation of dark truths?

Amy and Nick's characters embody these tensions, illustrating how personal identity can be submerged beneath societal and relational demands.

- The media's obsession with scandal and spectacle.
